

791 Credit Hours Completed for Fall 2009-2010

Remember that you need to provide details (see options handout) about what you did, when you did it, what you gained from it—a write-up. *You can compose this separately and attach the printout to this form.* Please make sure your name is on your write-up. Some activities / events that you do may be worth two credit hours, so you may not need to fill out all the spaces below. This is due in either Todd or Melanie's mailbox by Friday, Nov. 13.
